

Our heart beats for fruit and vegetables! As an international partner to our fruit and vegetable producers in Europe and overseas, we offer a varied range of fields of activity in a highly exciting industry. As a traditional company, we combine classic values with agile methods and always operate at eye level, trend-oriented and always with a good deal of dynamism and spirit.

On our development journey, we have always been able to rely on one crucial component:

A motivated and strong team!

For the following position in Kaarst (Düsseldorf area) we are looking for a:

Key Account Manager Fruit & Vegetables - Food Retail / Discount (m/f/d)

Your tasks:

- Strategic customer development & acquisition
- Comprehensive customer care incl. negotiation of prices & assortments
- Implementation of seasonal planning incl. preparation of presentations & customer appointments
- Close cooperation with the specialists for product procurement, logistics, marketing and QA
- Coordination of procurement through cooperation with the international offices

Your skills:

- Completed business studies or comparable training in the commercial sector
- Sales experience in the food sector, ideally with fruit and vegetables
- Confident and professional demeanor
- A high level of communication skills, personal responsibility, reliability and a solution-oriented way of working
- Flexibility, initiative and team orientation
- Language skills: German, English

Your prospects:

A pleasant working environment, great challenges where you can contribute yourself and help shape the future. As part of us, you will have a lot of responsibility right from the start. BUT of course we won't let you bite the bullet!

We support you with our onboarding program from day one.

We also offer:

- Attractive compensation
- Special benefits such as capital-forming benefits, company pension scheme, job ticket subsidies
- Mobile working
- Subsidy for lunch three days a week
- Financial support for your next bike purchase
- Professional and personal development opportunities
- Corporate benefits
- Subsidy for the Urban Sportsclub

Have we piqued your interest?

Then we look forward to receiving your CV!
